

N10 History Summer transition work

In September you will begin your studies of the League of Nations. In preparation, please complete some research on the following

- The aims of the League of Nations
- Membership and how this changed
- The work of the League in the 1920's
- The strengths and weaknesses of the League of Nations

There are a number of websites you can look including

www.schoolhistory.com

www.historyonthenet.com

www.johndeclare.com

Please make these notes in your exercise books. Political cartoons are very popular on this exam paper. See if you can find some Punch cartoons to look at.
