LM/hr/Y7 Science Trips to the National Space Centre
2nd May 2024

Dear Parents(s)/Guardian(s),

**Science Trips to the National Space Centre, Leicester
Monday 8th and Wednesday 10th July 2024**

I am writing to inform you of a trip that has been arranged for our Year 7 students to the National Space Centre in Leicester. There are two dates for this trip, Monday 8th and Wednesday 10th July 2024. The trip will be for the whole school day. Half of the year group will have the opportunity to attend on Monday and the other half on the Wednesday – this will be decided by form group and the total number of students attending. We will leave school at 9:00am and depart from the Centre at 2:30pm returning at approximately 4:00pm, depending on traffic.

To enhance the day, two activities for students to participate in have been booked – a planetarium show and a 'It IS rocket science' workshop. The workshop complements the Key Stage 3 science curriculum and explore the science behind launching rockets into space.

In order to be able to reserve tickets to the Centre and for us to calculate a final cost for the trip we require a non-refundable deposit of £5 to be paid. This is available on ParentPay now. If you would like your son or daughter to participate in this trip, please arrange for the deposit to be paid before Monday 3rd June 2024. The final cost of the trip is anticipated to be around £30 but this will be dependent on final numbers. Once this has been collated, I will write to you again with the final amount due.

I hope you will be able to support us in this exciting opportunity for your child.

Yours sincerely,

Mrs L Morris
Trip Organiser
